

Growing, growing, growing!

More and more the full understanding of the value of parent and adult involvement in educating and preparing our kids for productive lives is coming home to families and community members. Our PTAs are growing because it's smart, productive and good for all our futures to have the PTA mission being acted out throughout our community.

Grow the participation you have now and spread the word for other campuses to join in our smart, productive mission!

ourselves a
promise:
THIS will be
our best
year ever!**

The Houston ISD Council of PTAs is *your* council. Linking your campus to our efforts is an automatic procedure -- a seat at the table is waiting for your appointed delegates to arrive and make themselves at home. Contact the Council for all the details on delegates, meeting times and places.

Want to know more about the Houston ISD Council of PTAs? The Council leadership is eager to hear from you and answer your questions. Drop us a line at:

houstonisdCouncilofptas@gmail.com

Don't forget to log your VIPS time!
Make sure you and your school get full credit and recognition for your volunteer hours. Get that information to your campus volunteer coordinator.

Oak Forest Elementary School's PTA has proudly rolled out its new website, and wants you to check it out at www.oakforestpta.com. Do you have something you're proud of? Let us know!
